Only the 5 games above count toward the standings within your playoff pool.

Following round 9, teams in the **championship pool** should **wait in their game rooms** for information about finals or tiebreakers.

Any finals necessary to determine the tournament champion will be scheduled based on the procedure outlined on the back of your tournament program.

All other ties for the top 4 will be played off on tiebreaker games.

Consolation teams are done after round 9.

Once your school has no more scheduled games, pick up buzzers (if applicable) and a copy of the questions from STC 300.
